

**Construction on stall fronts may not begin prior to horse move-in at 12:01 AM TUESDAY DECEMBER 23 - based on the approved time from the venue.**

**Construction must be completed by 6am the first day of the show.**

**Stall dividers may be removed for \$425 per divider. Stall dividers may only be removed by Oklahoma State Fair Park. Please contact Loren Morris ([loren59@hotmail.com](mailto:loren59@hotmail.com) or 541-551-1242) to arrange removal.**

## **2021 NRHA Futurity & Derby Stabling Guidelines**

The SuperBarn and Barn 6 are Sponsor Barns at NRHA Events Only Stall Sponsors may decorate with signage, stall curtains, displays and advertisements. All signage must be for the stall sponsor as listed on the contract in these two barns. No other entities may be displayed in stall front area on either end. Other displays or advertisements such as personal sponsors may be displayed only inside aisles and not in or on stall fronts.

In Non-Sponsored barns – 8, 9 and 4 – signage may be displayed.

The selling of merchandise, including dogs, tack, etc. out of any stall is prohibited without a completed tradeshow contract on file with NRHA. Tradeshow applications may be obtained by emailing [cheryl@pro-management-inc.com](mailto:cheryl@pro-management-inc.com).

***These guidelines will be strictly enforced. Also, please comply with these Fire Marshall Guidelines:***

### **Oklahoma City Fire Marshall Guidelines:**

There shall be NO plastic or vinyl material in the buildings, coverings for stalls or used for temporary security of retail storefronts or to create a ceiling on stalls.

No construction will be permitted to reduce any main aisle less than 10 feet. No construction on the side aisles will be permitted to reduce less than 50% of aisle. Stall aisles must be left open - no temporary, permanent or solid structures are permitted (doors, walls, curtains, etc.) to block aisles.

Only stalls used for tack storage, entertainment or sleeping can be covered on the top, and will require a smoke detector.

The stalls can only be covered in a red rosin construction grade paper, butcher block paper, cheesecloth, either regular or restaurant type grade. Wood strapping - 3' maximum on center to attach paper is allowed.

Sleeping areas are to be equipped with a smoke detector and fire extinguisher.

Any aisle space between stalls can be covered only if equal open space to material does not exceed 4 feet. If your material is a maximum of 4 feet then the space between the material shall be a minimum of 4 feet. No continuous two stalls shall be covered at any time.

The maximum overall height of construction is 12 feet from the ground to the top of the highest point of construction. Stall walls are 8 feet tall, additional construction may be a maximum of 4 feet above the stall wall.

Combustible materials shall be treated in accordance with NFPA 701 to make them flame retardant and a certificate or similar proof should be supplied to the Oklahoma City Fire Marshall's Office prior to its placing. Material that is being treated by user must be done in the presence of an Inspector from the City of Oklahoma City Fire Marshall's Office.

Stall fronts shall not exceed out from stalls any further than 4 feet from the base of the original stall wall.

No portable heaters of any type are allowed in the Oklahoma City Fairgrounds livestock facilities.

No tents or canopies are allowed inside the barns, arena or livestock areas.

No hay, straw, shavings or similar combustible materials used for decorations are permitted within any facility unless they have been treated in accordance with NFPA 701 to make them flame retardant and a certificate is supplies to the Oklahoma City Fire Marshall's Office. (Hay or straw for animals is permissible and can be kept in stall areas for feeding and/or bedding.

Combustible trash shall be removed at least once a day during the period the area/exhibit is occupied.
