The same horse/rider must be entered in the NRHA Futurity. Any entry that withdraws from the Open or Non Pro Futurity is no longer eligible for the Futurity Challenge Purse.

The entry fee for the Futurity Challenge Purse is \$650. Any entry wishing to enter the Futurity Challenge Purse must return the entry form and fee, which must be received in the NRHA Events office on or before October 1 – POSTMARKS WILL NOT BE CONSIDERED. Late entries will be accepted until NOON CST two days prior to the first go-round. A \$50 late fee will be applied if entry form is received October 2 - November 1. If received after November 1 until two days prior to the first go, a \$100 late fee will be applied. There will be a 27.5% show retainage fee and the standard 5% show deduction.

With this entry, the horse/rider will be entered into all eligible levels (Levels 1 through 3). The entry fee will be allocated to the rider's lowest level of eligibility.

Prime Time and Youth riders also may enter those divisions, as well. Cross-entry into the Futurity Challenge Purse is not mandatory.

Entry fees will be allocated for all entries in the following manner:

	Level 3	Level 2	Level 1
Level 3 Rider	\$650	n/a	n/a
Level 2 Rider	\$0	\$650	n/a

Futurity Challenge Prime Time Open, Prime Time Non Pro and Youth Non Pro will be paid using NRHA Payback Schedule B percentages. All finalists entered in the Futurity Challenge will receive a payout. At no time will the purse payout exceed 100%.

If for any reason, there are more payback positions available than there are finals qualified horse/riders, paybacks will continue to the next Futurity Challenge entries that did not make the finals. *For example, 25 Futurity Challenge entries make the L3 Open finals, the five remaining payback spots will be paid to those horses placing 31st-35th in the composite placing for the finals.*

NRHA reserves the right to interpret, modify or amend conditions for the NRHA Futurity Challenge purse as necessary.
